

CLEARVIEW DUO

DUO supports teams who need flexibility at the bench. The system includes two interchangeable glass lenses, allowing users to switch between a wider field of view for general assembly tasks and a higher magnification for closer visual checks. The integrated LEDs provide bright, even white light, and the articulated arm keeps the unit steady during routine work.

Key features

- Two interchangeable glass lenses for adaptable viewing, 5 inch [12.7 cm] 3 dioptres (1.75x) and 5 dioptres (2.25x)
- Bright white LED illumination at 6 000 K with CRI 95 plus
- Four brightness levels to match different materials and surfaces
- Open articulated arm for straightforward positioning at the bench
- 5 year guarantee

Applications

- Mixed assembly tasks where lens flexibility supports different steps
- Reading part labels, wiring identifiers and small printed information
- Closer visual checks during adjustment or light rework
- Shared workstations with variation in tasks

ClearView is a range of magnifiers and task lights designed to support everyday assembly, rework and inspection.

To find out more about the range, contact your local branch.

CLEARVIEW DUO

5 Year Guarantee

Product Code

ClearView DUO Magnifier	VDM001

Light output

Light Source	LED
Lumens	600 lm
Lux at 15 cm	5 500
Colour Temperature	6 000 K
CRI	95 +
Energy Consumption	9 W

Product Information

Weight	2.9 kg
Colour	White
Lens Size	12.7 cm
Cable Length	2 m
Max Clamp Opening	75 mm

Packaging Information

Height	42 cm
Width	54 cm
Depth	10 cm
Packed Weight	3.7 kg
Products per Master Carton	2
